Please rate the following 11 questions on a 5-point scale from 1 to 5.
(5: Strongly agree, 4: Agree, 3: Neither agree nor disagree / Don't know, 2: Disagree, 1: Strongly disagree)

1. I would like to use this application frequently.
2. I felt this application was more complicated than necessary.
3. I found this application easy to use.
4. I felt that I needed technical support to learn how to use this application.
5. I thought the various features of this application were well integrated.
6. I found many inconsistencies in this application.
7. I thought most people would quickly understand how to use this application.
8. I found the application very cumbersome to use.
9. I feel confident that I can use this application.
10. I need to learn a lot before I can use this app.
11. I thought this app would likely still be available as a service once VR devices became widely adopted.

Please select the answer that best fits the following questions 12 and 13.

12. Please select the option (A–E) that best describes your VR experience.
- A) I knew absolutely nothing about VR
 - B) I know about VR, but this is my first time using VR goggles
 - C) I have used VR goggles before, but I don't own a pair
 - D) I own a VR headset but don't use it very often.
 - E) I own a VR headset and use it frequently

[Only for those who selected **C**, **D**, or **E**] Please tell us how often you use VR headsets. Example answers:
About 5 hours a week, about 3 times a year, about X times so far, etc.

13. Regarding your experience playing Tetris and Tetris-style games (Note), please select the option that applies from the choices below (A–D).
- A) I knew absolutely nothing about Tetris or Tetris-style games.
 - B) I knew about Tetris and Tetris-style games, but I didn't know the rules.
 - C) I know the rules of Tetris and Tetris-style games, but I have never played them.
 - D) I have played them a few times.
 - E) I play them often.

(Note) "Tetris-style games" refer to games that adopt the basic rules of Tetris, in

which blocks are stacked to clear lines. Specifically, these are games where the player rotates and stacks blocks of various shapes, and a line is cleared when blocks align horizontally. Please note that this is limited to games that follow these basic Tetris rules.
